Subject: Consider approval of Resolution No. 2026-R-12 supporting the appointment of the Parker County Judge as the primary representative and the Wise County Judge as the alternate representative for the Parker/Wise County cluster on the Regional Transportation Council

Summary:

The Regional Transportation Council (RTC) serves as the independent policy body of the Metropolitan Planning Organization (MPO) and is comprised of forty-four (44) elected and appointed officials representing jurisdictions throughout the North Central Texas region.

Under the RTC bylaws, Parker County and the cities of Aledo, Weatherford, Mineral Wells and Willow Park, together with Wise County and the cities of Decatur and Bridgeport, are grouped into a single membership seat. The representative for the cluster is selected based on a weighted population formula and serves a two-year term. The bylaws also encourage rotation of the primary membership seat among participating entities to promote regional representation. Wise County Judge JD Clark served as the primary representative for the 2024–2026 term.

Parker County is actively collaborating with the cluster cities on interstate improvements and thoroughfare connections that enhance mobility and support continued growth throughout the region. Strong representation on the Regional Transportation Council provides a unified voice to advocate for transportation priorities that benefit our communities and strengthen our transportation network.

The attached resolution supports the appointment of Parker County Judge Pat Deen as the primary RTC representative for the 2026–2028 term and Wise County Judge JD Clark as the alternate representative.

Dear Judges Clark and Deen and Mayors Johnson, McQuiston, Singleton, Paschall, Davis, and Palmer:

The purpose of this correspondence is to request Regional Transportation Council (RTC) cluster membership appointments for the 2026-2028 term. The Bylaws state that the counties and cities over 30,000 in population (“eligible cities”) are eligible to hold the RTC membership seat for the cluster, and the counties shall rotate the seat among the counties over a 10-year period in rough proportion to the seat as follows: **the Parker/Wise County seat shall rotate on a 70/30 basis.** Based on this, the primary or alternate seats for your group may be held by a representative from Wise County, Parker County, or the City of Weatherford. The county in which an eligible city appointed to hold the seat is located shall be used to determine whether the rotation requirement is met.

Membership on the Regional Transportation Council is either by direct membership or group representation. Each seat on the Regional Transportation Council is provided a primary member and permitted an alternate member. Parker County and the Cities of Weatherford, Mineral Wells, Willow Park, and Aledo and Wise County and the Cities of Decatur and Bridgeport share a seat on the

Regional Transportation Council. The RTC's Bylaws and Operating Procedures state that the person representing a group of several cities and counties shall be selected by the county judges using a weighted vote of the maximum population or employment of the counties represented, and the person selected shall serve a two-year term beginning in July of even-numbered years and shall be serving on one of the governing bodies they represent. A table containing population and employment figures based on the demographic numbers from the last Bylaws is attached.

Items to consider when contemplating seat rotation may include: 1) a natural break in a member's government service, such as the conclusion of an elected term, 2) a member's potential to gain an officer position or advance through the officer ranks, 3) a member's strong performance and commitment to transportation planning, 4) the critical nature of a particular issue or project and its impact on an entity within the cluster, or 5) the overall success of the RTC and its importance in the region.

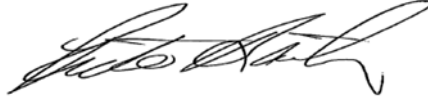

As you know, each seat on the Regional Transportation Council is provided a primary member and permitted an alternate member. Your current RTC primary representative is Pat Deen, County Judge, Parker County. Your alternate seat is vacant. Cluster group members serve a two-year term beginning in July of even-numbered years. You may choose to keep your current primary representative or appoint a new primary representative and/or alternate representative. In determining the appointments for the next two years, please review the above guidelines to decide whether it is appropriate to rotate the seat. **All appointments, whether a reappointment or new appointment, require written confirmation from both counties and must be received by June 30, 2026.** Per the RTC Bylaws, the new two-year terms begin in July.

Please email (VPruitt-Jenkins@nctcog.org), mail (P.O. Box 5888, Arlington, TX 76005-5888), or fax (817/640-3028) your correspondence to Vercie Pruitt-Jenkins of NCTCOG. Please note that your designations must be confirmed in writing by both Wise and Parker Counties. Once the appointments have been determined by NCTCOG staff, confirmation of the primary and/or alternate member(s) will be provided to your group.

In addition, the Regional Transportation Council has established an Ethics Policy in accordance with Section 472.034 of the Texas Transportation Code. This policy applies to both primary and alternate RTC members, whether elected or non-elected. All RTC members must also adhere to Chapter 171 of the Local Government Code and to the Code of Ethics from their respective local governments and public agencies. Please remind your representatives to be cognizant of these policies and codes.

Please contact Vercie Pruitt-Jenkins at VPruitt-Jenkins@nctcog.org or 817/608-2325 if you have any questions. We look forward to working with you.

Sincerely,

Rick Bailey, Chair
Regional Transportation Council

Dear Elected Officials,

First, I want to thank each of you for the teamwork in working together as we each deal with the massive growth impacting on our transportation system. Your leadership and tireless efforts have made a huge impact not only on your respective cities, but the entire region.

Over the last two years, I have had the privilege of continuing to serve as your representative on the Regional Transportation Council (RTC), building on my previous tenure and my time spent as your representative. I am deeply committed to continuing to prioritize transportation infrastructure to manage the historic population growth our region continues to experience.

We have made extraordinary progress together. I am immensely proud of our collaborative efforts following the passage of Parker County's \$130M transportation bond. While we initially anticipated securing \$150M in matching funds, our aggressive advocacy and strategic partnerships with TxDOT and federal agencies have successfully leveraged that bond into more than \$1.6 Billion in state and federal matching funds.

This unprecedented funding injection guarantees the completion of our 32 identified regional projects, delivering critical safety enhancements and vital capacity expansions on high-traffic routes—including major corridors like I-20 and ongoing design collaborations to widen key arterials in Parker County. To date, the bond program is moving forward, with half of the total program progress already hitting major milestones across the pre-construction and construction phases.

With over 22 years of experience working alongside our transportation partners and more than 7 years as your RTC representative, I have cultivated the deep-rooted relationships with the Council of Governments, the RTC, TxDOT, and the Tarrant Regional Transportation Coalition necessary to deliver these results.

I am humbly asking for your continued support and vote to remain your RTC representative so we can keep this tremendous momentum going and continue solving our region's transportation needs together.

Sincere Regards,
